

2012-2013

Volume 11 No. 1

August 2012

PRESIDENT'S CORNER

Even though everyone is “melting down” it is time to start thinking of basketball again. Hardly seems possible that we will be in the gym soon watching our favorite team!

Once again I'd like to thank all my fellow Fast Break Club officers and board for another successful year. All last year's officers and board members are signed up for another year so if you see them around, please thank them for a job well done. Following are your officers and board for the 2012-2013 season:

Amy Logan, President
Noah Brooks, 1st Vice President
Mike Goodman, 2nd Vice President
Bonnie Finley, Secretary
John Gibbs, Treasurer

Members:

Diane Allen	Jerry Halsey
Walt Allen	Coleman Harris
Nauweeta Bledsoe	Linda Harris
Virgil Bledsoe	Debbie Hill
Carol Brooks	Neal Hill
Earl Crain	Marrae Quinn
Laura Crain	Dan Quinn
Sue Gibbs	

The team will leave August 7 on their tour of Australia where they will play four games in Cairns, Melbourne and Sydney and return August 18. They will be fresh off this trip when they come to the Ice Cream Social.

Several events are coming up that everyone needs to mark on their calendar:

Thursday, August 23: Ice Cream Social, 6-8 pm, Large Pavilion, Reaves Park, across from OU Women's Baseball Field on Lindsey Avenue, North of Lloyd Noble Center. Come enjoy a “pot luck” of ice cream, cookies, cake, etc. and meet our new players. This is a great time to visit with our student athletes “one-on-one”. Please call Nauweeta Bledsoe, (405) 321-4120, and let her know what you can bring to the social.

Monday, October 15: Pre-Season Banquet, Lloyd Noble Center, 6-9 pm. This is a fun time to enjoy dinner with your fellow WBB fans and for a chance to purchase some great basketball memorabilia at the auction.

PLEASE NOTE THIS DATE IS A CHANGE:

Friday, October 26: Season Ticket Holder Scrimmage and Fast Break Club Meet and Greet. Come out to see the team in action, have some pizza and a chance to meet them and get your Media Guide, poster or basketball autographed. More details about time later.
