July 2017

Dear Fast Break Club Members,

By the time you read this you should have received the brochure for membership renewal for Fast Break Club. I'm sure you have noticed that there is an increase of $25 in the membership fee. Your Fast Break Club board recommended this increase and it is the first increase ever in membership and I hope it does not deter you in supporting OU women's basketball. The Fast Break Club does so much for the program and we look forward to your continued support.

I will be serving as coordinator of Clinton Lounge again this upcoming season and I wanted to share some information about Clinton Lounge with you. Due to a change in our food contractor for Clinton Lounge, there has been a substantial increase in the food charge. As everyone knows who comes into Clinton Lounge before the game, you have seen a "donation jar" on the table as you enter. Some may be under the impression that this is a "tip" jar for the servers of the food, but that is not the case. That money goes to off-set the cost of the food. This coming season the board has voted to request members coming into Clinton Lounge donate $5. This request is for members and spouses, whether members or not, as well as children and guests. Members may still continue to bring one guest to Clinton Lounge, but we request a $5 donation for them. This step was taken by the board rather than raise the membership fee more than $25. This will greatly help with the cost of food. This $5 really isn't much if you tried to purchase the same food out on the concourse. I hope everyone will understand this request. Plans are to continue the great food we have had in the past in Clinton Lounge and I hope each of you will continue to come in and enjoy a meal before the game with other Fast Break Club members.

It has been my pleasure to serve as the president of Fast Break Club for the past several years and as of July 1 Dan Quinn will be serving as president. I hope everyone will support him as much as you have me.

Amy Logan
Past President
