

# Six Man Award for 2017/18

## *Coleman & Linda Harris*

Congratulations to Coleman & Linda Harris as the 6<sup>th</sup> Man Award recipients for the 2017 & 2018 Season. The Harris's have been long time OU Women's Basketball Season Ticket holders for many years. In addition, they have been active members of the OU Fast Break Club serving on committees and holding various offices on the board. Currently Coleman is serving as the First Vice President. Both were instrumental in establishing a system to plan, schedule, and produce the Itineraries for the bus trips that are still in place today. Up until recently, Coleman was responsible for updating the Fast Break Club Web Site and Linda served as the Membership Chairman. If you have visited the Bus Trip Table, the Clinton Lounge or been on a bus trip you have certainly met them. Congratulations on a well-deserved award.
